LA PALMA

A map of the island of La Palma, Canary Islands, Spain, illustrating the 'Unidades de Paisaje' (Landscape Units). The map is divided into ten distinct regions, each color-coded and labeled in the legend. A 3D topographic relief map is overlaid on the northern part of the island, showing the rugged terrain of the central mountain range. The landscape units are: Cumbre Vieja (pink), Cumbres del Roque (brown), El Valle (green), La Caldera (blue), Ladera de El Charco (purple), Norte Húmedo (black), Norte Seco (magenta), Tedote (dark brown), Tigalate (red), and Volcanes de Fuencaliente (dark blue). The map is set against a light purple background representing the surrounding ocean.
